Rone

Timothy Saccenti

Artist: Rone

Song: "Bye Bye Macadam"

Album: Tohu Bohu

"Among all the tracks from my album *Tohu Bohu* this is probably the most spontaneous and quickest one I made. I remember coming back from a bad day in the studio... the kind of day where nothing works. I came back home, feeling a bit down... I had a few drinks with my girlfriend and then I turned on my laptop," Rone tells *Rolling Stone*. "I started recording her voice, just for fun. Then I added a little gimmick... and the track naturally came together in a few hours. I finished it half drunk, for the first time ever I even added my own voice in my music. Then the next day I got up, hungover, and I listened to the track... and actually liked it."
