The Same "Man of Dust (Cubenx Remix)"

Words: Tim Gentles

Polish production duo [The Same](#) last impressed us with a [free download](#) of its "Mental Disorder" track, lifted off the pair's debut for [Infiné](#) from early this year, and has now returned with a remix of a tune from the same release by Mexican minimal techno-inclined producer [Cubenx](#). In this remix of "Man of Dust," the original production's textural, cryptic beats take on a more dancefloor-oriented form, with pulsating synth stabs matched to ethereal, shoegaze-esque plucked strings.
